Elections for the ICMI Executive Committee

Dear colleagues

Please see the attached letter from Jean-Luc Dorier, Secretary General of the International Commission on Mathematical Instruction (ICMI), regarding the election for the ICMI Executive Committee for the term 2029–2032.

This is a very important issue both for ICMI and the IMU, and we look forward to your active involvement in the process.

I also refer to CL 9/2026 regarding the call for nominations for the ICMI EC Nominating Committee.

For further questions, please contact Jean-Luc Dorier icmi.secretary.general@mathunion.org.

Regards

Christoph Sorger
Secretary General of the International Mathematical Union
