

ICMI

International Commission on Mathematical Instruction

www.mathunion.org/icmi
www.facebook.com/icmi.math.edu
<http://blog.kleinproject.org/>

- A global community devoted to research and development in education in the mathematical sciences at all levels
- Founded in 1908 in Rome
- 92 member countries
- A commission of the International Mathematical Union (IMU)

Member Countries

■ Members

Affiliated Mathematical Education Societies:
CIAEM, CIEAEM, ERME, MERGA

International Study Groups Affiliated to ICMI:
HPM, ICTMA, IOWME, MCG, PME, WFNMC

KEY ACTIVITIES

Conferences

- ICME – International Congress on Mathematical Education
- ICMI Regional Conferences
- ICMI Studies Conferences

Thematic Studies and Book Publications

- ICMI Studies

Publications and Digital Library

- Newsletters
- Journals
- Proceedings

Outreach to Developing Countries

- Capacity and Network Project (CANP)
- Support of Regional Conferences
- Solidarity Fund and ICME Grants

Projects

- Klein Project for mathematics teachers
- Database Project of mathematics curricula from all over the world
- Pipeline Project – worldwide numbers of mathematical science students from secondary level to PhD and teacher qualifications

Exhibitions

- Experiencing mathematics!
An international exhibition supported by UNESCO

Awards

- Felix Klein Award
- Hans Freudenthal Award
- Emma Castelnuovo Award
