

Orders must be placed personally, on the Springer website, through the [NISS series homepage](http://www.springer.com/series/6351?detailsPage=titles) ; <http://www.springer.com/series/6351?detailsPage=titles>

1. Select your book of choice and click on 'Buy Hardcover (or soft-cover or e-book)'

The screenshot shows the Springer website's 'New & Forthcoming Titles' section for the 'New ICMI Study Series'. The page includes a navigation bar, a list of books, and a sidebar with 'SERVICES FOR THE SERIES' and 'ALERTS FOR THIS SERIES'. A price comparison pop-up is displayed over the first book, 'Mathematics Education and Language Diversity', showing the following options:

Format	Description	Price
eBook	Download immediately after purchase	\$139.00 (net)
Hardcover	Usually dispatched within 3 to 5 business days.	\$179.00 (net)

2. The following screen will pop up:

The confirmation pop-up window contains the following text:

You have just added the **Book** "Mathematics Education and Language Diversity" to the shopping cart!
Your shopping cart contains 1 item worth \$179.00.
