

CHERN MEDAL PROGRAM GUIDELINES

July 1, 2012

I. Selection of Medalists

A. The Medal is to be awarded to an individual whose accomplishments warrant the highest level of recognition for outstanding achievements in the field of mathematics.

B. All living, natural persons, regardless of age or vocation, shall be eligible for the Medal. Additional qualifying or disqualifying criteria may be imposed consistent with IMU policies.

II. Selection Committee

A. Each Medalist shall be selected by a Selection Committee consisting of five members.

B. A new Selection Committee shall be formed at least two years in advance of each award ceremony, for the purpose of identifying that Medalist.

C. The IMU shall appoint four members of each Selection Committee, and CMF shall appoint the fifth.

D. At the outset of each award cycle, the IMU shall nominate one of the five members of the Selection Committee as Chair of the Committee, subject to approval by CMF.

III. The Awards

A. Each Medalist shall receive a cash prize of \$250,000.

B. In addition, each Medalist may nominate one or more organizations to receive funding totaling \$250,000, for the support of research, education or other outreach programs in the field of mathematics (the "Organization Awards").

C. Each Medalist's nominees for Organization Awards are subject to approval by FIMU, which shall grant such approval so long as the proposed awards:

1. will be qualifying, charitable distributions within the meaning of U.S. tax law;
and

2. will substantially further the purposes of CMF, FIMU and the Grant.

IV. Other Terms and Conditions

A. The identity of each Medalist will be kept strictly confidential until the time at which that Medalist is honored.

B. CMF retains the right to enjoin any ancillary usage of any name or mark associated with the Program if, in CMF's sole discretion, such use does not appropriately reflect on or advance the interests of the Program.

Nominations for the Chern Medal Award

July 1, 2012

The International Mathematical Union (IMU) and the Chern Medal Foundation (CMF) have, following the guidelines above, appointed a Selection Committee consisting of five members. This committee is chaired by Robert L. Bryant, Professor at the Mathematics Department of University of California, Berkeley and Director of the Mathematical Sciences Research Institute, Berkeley.

Nominations are requested electronically and, if possible, in pdf format and should ideally be sent by December 31, 2012 to the Prize Selection Committee Chair:

Robert L. Bryant
Chair, Chern Medal Committee
Department of Mathematics
University of California at Berkeley
Berkeley, CA 94720-3840
USA

E-mail: chern14-chair@mathunion.org

Nominations must include:

- Name and affiliation of candidate.
- A description of the work that qualifies the candidate for the award, written in terms that are accessible to mathematicians of different backgrounds, including references to the candidate's important papers.

Nominations are confidential, and must not be disclosed to the candidate.

Abbreviations of organizations used:

IMU: International Mathematical Union

FIMU: Friends of the International Mathematical Union (a non-governmental non-profit scientific organization, technically: a 501(c)(3) organization, established in 2008 by IMU in the United States able to accept tax deductible donations in the US)

CMF: Chern Medal Foundation (a U.S. non-governmental non-profit scientific organization established by contributions from the S. S. Chern Foundation for Mathematical Research and the Simons Foundation to create and fund the Chern Medal Award, the S. S. Chern Foundation for Mathematical Research was founded in 1987)
