
REPORT ON THE 2018 NAIROBI SCHOOL AND WORKSHOP IN ALGEBRAIC GEOMETRY

PRE-WORKSHOP SCHOOL: 21-24 AUGUST 2018

WORKSHOP: 27-31 AUGUST 2018

VENUE: SCHOOL OF MATHEMATICS, UNIVERSITY OF NAIROBI

Organizers of the pre-workshop school

Aurelio Carlucci, University of Oxford

Alberto Cazzaniga, Stellenbosch University/AIMS South Africa

Diletta Martinelli, University of Edinburgh

Workshop organizers

Damian Maingi, University of Nairobi

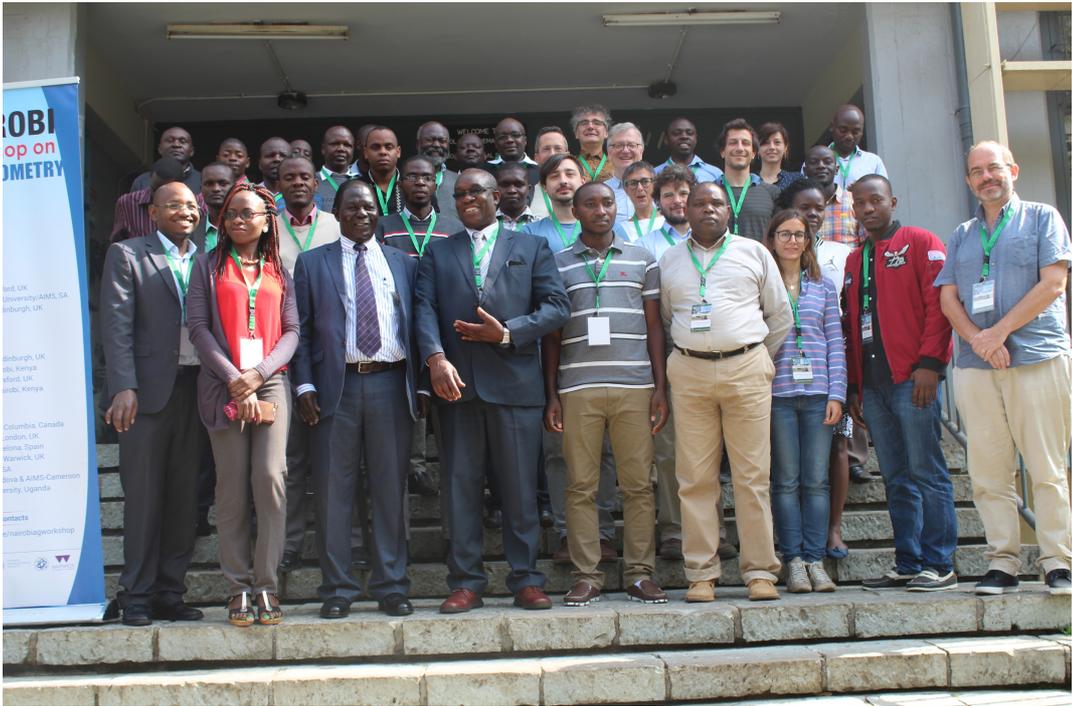

Diletta Martinelli, University of Edinburgh

Jared Ongaro, University of Nairobi

Balazs Szendroi, University of Oxford

The organizers wish to express their thanks for financial support to the Africa Oxford Initiative; the Mathematical Institute, University of Oxford; the Clay Mathematical Institute; the International Mathematical Union (CDC); LMS MARM; Imperial College London; and the University of Nairobi.

The School and Workshop had 38 participants (see list below). Junior participants stayed for both School and Workshop; non-speaker senior participants arrived for the Workshop. The school consisted of introductory lectures and problem sessions; the workshop consisted mostly of research-level talks (see list below). There was also a round table style discussion, and a speakers' dinner.
