**RE: LETTER OF INVITATION**

Dear Professor Joseph Maher,

It is my great pleasure to invite you to visit the African Institute for Mathematical Sciences for the period from March 18 to 09 April 2023 as a volunteer lecturer. Your visit will be teaching at the Department of Mathematics.

We would like to invite you to teach a course in Algebraic Topology and Applications with 10 hours per week. The teaching language is *English* You will teach 60 students. Their background is Mathematics, Physics, Computer Science and Strong related Science.

The exams should be prepared and exercised by you. We will prepare the students for the course beforehand, help with student mentoring and assessment and take care of any necessary follow up. The course is an integral component of a regular Master program at *AIMS-SENEGAL*.

The following person will assist you with teaching and preparing the course: Dr Moussa Thiaw, Assistant Lecturer, [moussa.thiaw@aims-senegal.org](mailto:moussa.thiaw@aims-senegal.org)

We suggest you stay at the Guest Home of our Institute. *AIMS-SENEGAL* will offer you *an office with internet connection, food three time per day (Breakfast, Lunch and Dinner)*, We will help you will local transport and arrange a pick up from the airport.

I very much hope that you are able to accept the invitation, and I am looking forward to welcoming you in *AIMS-SENEGAL*.

Yours sincerely,

**Pr. Mouhamed Moustapha Fall**
