Call for Nominations:

The Ramanujan Prize for Young Mathematicians
from Developing Countries

Dear colleagues,

I would like to draw your attention to the Call for Nominations for the Ramanujan Prize which is funded by the Niels Henrik Abel Memorial Fund (Norway) and has been awarded annually since 2005 by the Abdus Salam International Centre for Theoretical Physics (ICTP, Italy) to young mathematicians from developing countries. IMU appoints, jointly with ICTP and the Norwegian Academy, the selection committee.

The Ramanujan Prize is usually awarded to one person, but may be shared equally among recipients who have contributed to the same body of work. Eligible for the prize is a mathematician from a developing country less than 45 years of age on 31 December of the year of the award. For the details of the nomination please see the attached call paper.

October 30, 2011

is the deadline for nominations for the 2011 prize.

Nominations are to be sent to [director at ictp.trieste.it](mailto:director@ictp.trieste.it) .

Please advertise this call for nominations for the Ramanujan Prize in your mathematical communities.

Attached is a PDF file containing the official text of the call for nominations 2011. The call can also be found at
