Symposia 1959

The following two symposia, supported by the International Mathematical Union, will take place in 1959:

International Symposium on Foundations of Mathematics: Infinitistic Methods, to be held in either Warsaw or Zakopane, Poland, September 2—8, 1959. — Chairman of the Organizing Committee: Prof. A. Mostowski.

International Colloquium on Algebraic and Topological Foundations of Geometry, to be held in Utrecht, Netherlands, August 3—7, 1959. — Chairman of the Organizing Committee: Prof. H. Freudenthal.

International Congress of Mathematicians 1962

The Committee authorized by the final plenary session of the Congress in Edinburgh to determine the location of the International Congress 1962 has accepted an invitation from the Swedish National Committee for Mathematics and the Swedish Mathematical Society in the following terms:

"To Mathematicians of all Countries.

The Swedish National Committee for Mathematics and the Swedish Mathematical Society have the honour of inviting you to the next International Congress of Mathematicians, to be held in Stockholm during the Summer 1962.

We will do our best to make the Congress scientifically successful and enjoyable, hoping that it will stimulate the interaction between mathematicians in different fields and countries.

Ake Pleijel
Chairman of the
Swedish National Committee
for Mathematics

Göran Borg
Chairman of the
Swedish Mathematical
Society."

B. Eckmann
Secretary of the IMU.
