IMU AO Circular Letter 9/2019

To: The Adhering Organizations of the International Mathematical Union (IMU)

From: Helge Holden, IMU Secretary General

Support sought for the new IMU Abacus Medal

Dear colleagues,

As you may remember, the 2018 IMU General Assembly charged the IMU Executive Committee with the responsibility (Resolution 7)

“...to determine and set up statutes for a prize continuing and with the same purpose and scope as the Nevanlinna Prize but with a new name and appropriate funding to be secured.”

Further details can be found in the attachment. We also attach the statutes for the Nevanlinna Prize.

We are now seeking support for the new prize, and the deadline is **1 October 2019**.

Regards

Helge Holden
Secretary General of the International Mathematical Union
