WITH INSTITUTES**

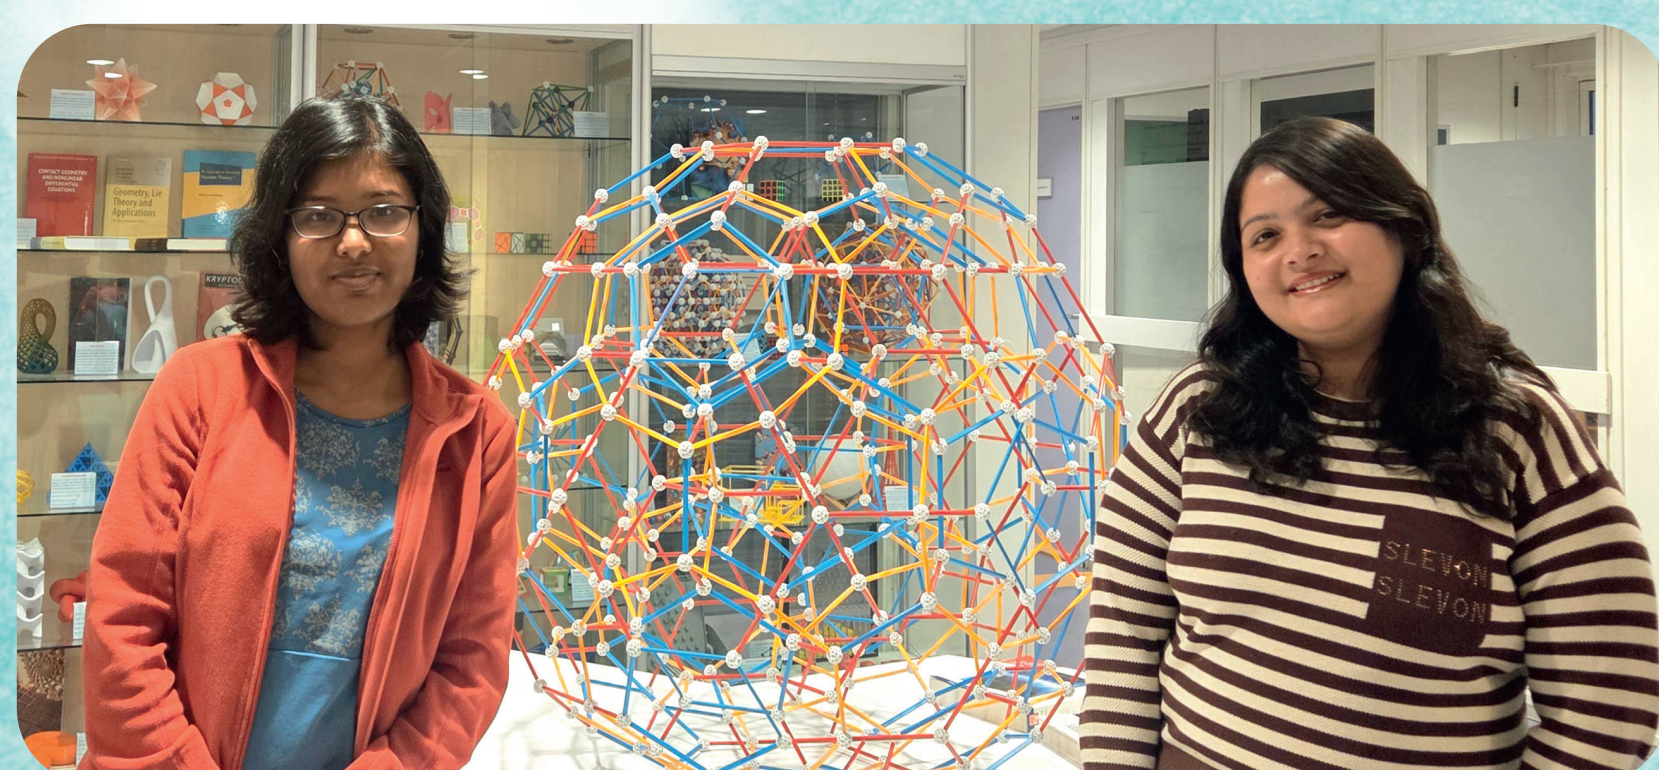

**KICK-OFF GRANTS
CIMPA AMBASSADORS**

**GRANTS FOR
LONG RESEARCH STAY**

**CIMPA Fellowships
Research in Pairs**

*TO KEEP TRACK OF
THE FUTURE RESEARCHERS*

Run by and with mathematicians:
our collaborators are colleagues
and work as volunteers.
We understand their needs.

Proximity with the field thanks to
our Scientific Officers who co-organize
the schools

A long history of actions which created
trust and visibility

An international independent scientific council
which evaluates the applications

Under private law: more flexibility in the way
we can spend our financial support
