The Mathematical Union of Latin America and the Caribbean (UMALCA) is a regional association of mathematical societies, **located in Santa Fe, Argentina**, and created to strengthen research, education, and the dissemination of mathematics in Latin America and the Caribbean. **Officially founded in 1995** and legally established as a civil association in 2021, UMALCA promotes regional scientific cooperation, the training of new generations of mathematicians, and the active participation of the Latin American mathematical community on the international stage.

Board of Directors

Prof. Jaqueline Godoy Mesquita *SBM, Brazil*

President

Prof. Gabriela Araujo Pardo *SMM, Mexico*

Secretary

Prof. María Chara *UMA, Argentina*

Treasurer

Prof. Sofía Pinzón Durán *SCM, Colombia*

Board Member

Prof. Christian E. Schaerer *SMP, Paraguay*

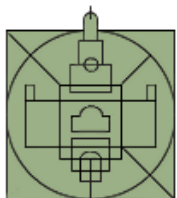

Accounts Auditor

Prof. Diego Recalde *SEdeM, Ecuador*

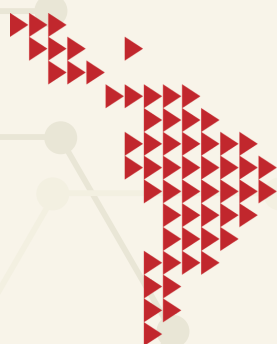

Alternate Board Member

Prof. Wilfredo Urbina-Romero *AMV, Venezuela*

Alternate Accounts Auditor
