**Application for change of group of adherence | Oman**

Dear colleagues

Oman has requested a change of group of adherence from Group I to Group II. Enclosed is the application from Oman.

After analyzing and reviewing the application, the Executive Committee of the International Mathematical Union recommends that Oman change from Group I to Group II, as of 1 January 2027.

IMU Members must now vote on the proposed change.

The vote will be conducted electronically via the email address you provided for electronic voting during the annual contact information update. Login credentials and a direct link to the system will be sent to that address on 26 November 2026

Please check SPAM/Junk folders in case your mail-server does not deliver the email directly to your inbox.

Voting will be open from **12:00 noon CET** on **27 November 2026**
until **12:00 noon CET** on **7 December 2026**

Attached you will find basic guidance on how to navigate and use the electronic voting system.

If you have not received the email with your login credentials by 12:00 noon CET on 27 November 2026, or require further guidance on accessing and using the voting system, please email imu.info@mathunion.org for assistance.

Regards

Christoph Sorger
Secretary General of the International Mathematical Union
